AN ORDINANCE AUTHORIZING AND DIRECTING THE DIRECTOR OF PUBLIC SERVICE OF THE CITY OF NELSONVILLE, OHIO, WITH THE APPROVAL OF THE BOARD OF CONTROL OF SAID CITY, TO CONTRACT WITH COLUMBUS AND SOUTHERN OHIO ELECTRIC COMPANY FOR LIGHTING THE STREETS, ALLEYS, LANES AND PUBLIC PLACES IN SAID CITY AND FIXING THE RATES TO BE CHARGED FOR SUCH SERVICE.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NELSONVILLE, ATHENS COUNTY, OHIO:

SECTION 1: That the Director of Public Service of the City of Nelsonville, Ohio, by and with the approval and direction of the Board of Control of said City, is hereby authorized and directed to enter into a contract on behalf of said City with Columbus and Southern Ohio Electric Company, an Ohio corporation, for lighting the streets, alleys, lanes and public places in said City at the rates and upon the terms and conditions specified in the form of contract included herein. Said contract shall be substantially in the following form: _____

1

100

CONTRACT FOR STREET LIGHTING
IN NELSONVILLE, OHIO

This contract is made by and between Columbus and Southern Ohio Electric Company, an Ohio corporation (the "Company"), and the City of Nelsonville, Ohio, (the "Municipality") pursuant to Ordinance No. _____ of the Municipality.

SECTION 1: For the period of five (5) years beginning on the effective date of the above ordinance, the Company agrees to furnish the street lighting service provided for herein and the City agrees to pay for such service at the following rates:

Based on all night burning, 365 days per year, or approximately 4000 hours per year; lights energized by overhead distribution facilities.

General Overhead System - Mounted on standard wood poles.

199 - 1000 lumen, open type	\$ 20.00 per lamp per year
25 - 2500 lumen, open type	\$ 27.50 " " "

Boulevard System - Fixtures mounted on metal standards.

64 - 4000 lumen, in place February 1, 1961	\$ 32.50 per lamp per year
4000 lumen, installed subsequent to February 1, 1961	\$ 52.75 " " "
8 - 6000 lumen, in place February 1, 1961	\$ 42.00 per lamp per year
6000 lumen, installed subsequent to February 1, 1961	\$ 58.00 " " "
2 - 10,000 lumen, in place February 1, 1961	\$ 60.00 per lamp per year
10,000 lumen, installed subsequent to February 1, 1961	\$ 72.00 " " "

SECTION 2: Payment for the service furnished hereunder shall be made monthly, in accordance with bills rendered therefor by the Company at the end of each period, each payment to be due within 15 days of the submission of the bill therefor, overdue payments to bear interest at the rate of 6% per annum until paid. Should the Municipality default in 4 successive payments, the Company may at any time discontinue service hereunder without notice so long as any default exists; provided, however, that

no charge shall be made by the Company for service hereunder during any period in which service is so discontinued. In the event of such default the Company upon written notice to the Municipality may terminate this agreement.

SECTION 3: The Company agrees during the term hereof to install additional street lights of the type and size specified above, when authorized to do so by resolution of the Council. Provided, however, that the new street lights shall be located within 250 feet of a distribution circuit of the Company; and, provided, further, that no additional 1000 lumen lamps shall be installed.

SECTION 4: The minimum number of street lights shall be not less than the sum of the total number specified above, and whenever additional lights are installed, the minimum number of lights shall be increased accordingly.

SECTION 5: It is further agreed that the Company shall move street lights to new locations, or change the type of fixtures to another type specified above as requested by the Council by resolution; provided, however, that the actual cost to the Company in making such relocations, or changes in the fixtures, shall be paid for by the Municipality.

SECTION 6: The Company shall make every effort to keep the street lighting system contracted for in operation during the time provided. If for any reason the Company fails to do so for more than an aggregate of four (4) hours in any one month, and upon written notice of such aggregate outage furnished to the Company by the Municipality within ten (10) days of the end of such month, there shall be a pro rata reduction from the bill to cover such outages. No liability shall attach to the Company for any outage.

SECTION 7: The Company shall not be required to install additional street lights or maintain lamps in the event that the Municipality is in arrears in payment for services rendered, nor shall the Company be required to install additional street

lights during the last year which this Ordinance is in effect.

SECTION 8: All lamps shall be maintained in as good order and condition as practicable at the expense of the Company.

SECTION 9: The Company shall save the Municipality harmless from any and all liability occasioned by the sole negligence of the Company in the construction, maintenance and operation of its street lighting system in the Municipality.

SECTION 10: Title to all wire, poles, lamps and appurtenances used by the Company in furnishing the service contemplated in this Ordinance is and shall be in the Company.

SECTION 11: This contract shall be binding upon and inure to the benefit of the successors and assigns of the Company.

IN WITNESS WHEREOF, the Company has caused this contract to be executed by its duly authorized officers on this _____ day of _____, 1961 and the City of Nelsonville has caused this contract to be executed by its Director of Public Service on this _____ day of _____, 1961.

Ordinance No. 16-61 Passed October 9 19 61

Attached and made a part hereof.

AN ORDINANCE GRANTING PERMISSION TO THE STRAY OIL COMPANY TO CONSTRUCT UNDER THE SIDEWALK AREA ADJACENT TO PLEASANTVIEW AVENUE TWENTY-TWO FEET OF PIPELINE, AND TO DECLINE AN EMERGENCY.

Defining the terms and conditions upon which the Stray Oil Company, its successors and assigns, may construct and maintain a pipeline under the sidewalk area of Pleasantview Avenue.

Whereas, the Stray Oil Company, holds an oil and gas lease on land abutting to the south side of Pleasantview Avenue, and has applied for a permit to construct under the sidewalk area of Pleasantview Avenue, abutting to its property, a pipeline, together with valves, meters and other necessary appurtenances;

Whereas the Mayor and the Director of Public Service and Safety have approved the proposed construction; now, therefore,

Be it ordained by the Council of the City of Nelsonville, Ohio:

Section 1: That permission is hereby granted to the Stray Oil Company, its successors and assigns, to construct and maintain a pipeline, together with necessary valves, meters and other appurtenances, under the following real estate:

Commencing at a point on the south side of Pleasantview Avenue in said city where the telephone lines of the Ohio Bell Telephone Company running to the State T.B. Hospital intersect the south side of said street, thence northeast along the south side of said street 22 feet to a point, thence southeast nine feet to a point, thence southwest 22 feet to a point, thence northwest nine feet to the place of beginning, containing 196 square feet more or less;

The permission herein granted is upon the following terms and conditions, and subject to the following reservations, limitations and restrictions, to wit:

(a) Said pipeline shall be constructed in accordance with specifications and detail plans to be approved by the Director of Public Service and Safety, and all work in connection therewith shall be performed under the direction and supervision and to the full satisfaction of said city officer.

(b) The city reserves the right to demand and receive from said company, its successors and assigns, permit fees and other charges for the privileges and permission herein granted, whenever said city shall enact legislation providing for such permit fees or other charges.

(c) This permission shall in no way interfere with the right of the city to construct, operate and maintain pipes, wires, conduits, service lines or other structures above, through or under the space occupied by the Stray Oil Company, or to grant permission to any public utility operating in the city to construct such structures above, through or under the said space.

(d) Said company shall replace and restore or, at the option of the city, shall pay the cost of replacing and restoring any pipes, wires, conduits, service lines or other structures disturbed by it in the construction or maintenance of said pipeline, including street restoration, subject to the approval of the Director of Public Service and Safety.

Section 3. That this ordinance be, and it hereby is, declared to be an emergency ordinance necessary for the public peace, health and safety, and shall take effect immediately upon its passage.

Section 2. The construction of the pipeline herein authorized shall be considered as an acceptance by the street oil company of the terms and conditions of this ordinance, and the ownership, control or operation of said improvements by any successor hereafter shall be considered as an acceptance of said terms and conditions by such successor.

(k) The permission hereby granted to construct said pipeline shall be exercised and said pipeline constructed within six months from the date on which this ordinance becomes effective; otherwise the provisions of the ordinance shall be void.

(j) The permission hereby granted shall be subject to all regulations and ordinances now in effect and that may hereafter be passed, relating to the construction, maintenance, operation, discontinuance or abandonment of construction, under city streets, except as otherwise provided, and this grant may be revoked at any time by council upon thirty days notice to said company, its successors and assigns.

(i) No construction work shall be performed under this ordinance until the usual permits have been obtained as required by Chapter 61 of the Codified Ordinances of Reynoldsville, Ohio, as amended.

(h) Whenever the permission herein granted shall cease, the said company, or its successors and assigns, shall immediately remove said pipeline, and make any necessary street and sidewalk restoration, all under the supervision and subject to the approval of the Director of Public Service and Safety; and in the event of failure to remove the same, the City shall have the right to perform the work and charge the cost of the same to said company, its successors and assigns.

(g) In accepting the permission granted herein, said company, its successors and assigns, agree that it will save and hold the City harmless of any and all liability, claims or expenses of any kind whatsoever, caused by, or growing out of, the construction, maintenance, operation, relocating, discontinuance or abandonment of said pipeline.

(f) The City reserves the right at any time, upon thirty days notice to said company, its successors and assigns, to require a change in the location of said pipeline or any part thereof, if such changes be found beneficial to the public interest.

(e) The City reserves the right at any time to widen Pleasanton Avenue or construct sidewalks adjacent thereto, in which event said company shall make all necessary additions to or changes in said pipelines to conform to such improvements and the cost and expense thereof shall be paid by the company, its successors and assigns.

The Individual Demand of each metered service shall be determined separately. The Individual Demand shall be the Measured Demand where the connected load on a metered service is in excess of twenty (20) kilowatts; where the connected load is twenty (20) kilowatts or less, the Individual Demand may be determined, at the Company's option, as the Measured Demand established by continuous measurement or by periodic test, or as the Estimated Demand derived from the connected load.

Measured Demands, either by permanent installation of a demand meter or by periodic test, shall be determined in accordance with the Company's standard practices and, except in unusual cases, shall be the maximum 30 minute integrated kilowatt demand recording of an integrating demand meter, or the highest registration of a thermal type demand meter, during the billing period. In instances of highly fluctuating loads, or demands of short duration, the Measured Demand may be determined by appropriate metering equipment designed to measure fully the impact of such demands. Where Measured Demands are determined by periodic test, a Measured Demand so determined shall continue in effect until superseded by a subsequent test.

GENERAL SERVICE—SMALL—SECONDARY**SCHEDULE G-1-A (Continued)**

Estimated Demands shall be determined from the connected load on each individual metered service, as follows:

First 5,000 watts @ 90%
Next 5,000 watts @ 80%
Over 10,000 watts @ 70%

The Maximum Capacity in any month shall not be less than 50% of the greater of (a) the highest Maximum Capacity previously established during the term of the service contract or (b) the capacity requirements of the consumer as specified in the service contract.

MINIMUM CHARGE

The Minimum Monthly Charge shall be \$1.90 per kilowatt per month applied to a Maximum Capacity equivalent to 50% of the greater of (a) the highest Maximum Capacity previously established during the term of the service contract or (b) the capacity requirements of the consumer as specified in the service contract.

SERVICE AND CONTRACT PROVISIONS

Only one Metered Service of each type, as to voltage and phase, will be supplied to a consumer under this Schedule at one Contract Location. Where two or more services are supplied to a consumer at one Contract Location said services, within the limitations above stated, may be combined in one service contract under this Schedule, or may be served under separate contracts under this or other applicable Schedules, at the consumer's option.

Each separate point of delivery of service by one or more Metered Services shall be considered a Contract Location and shall be metered and billed under a separate service contract.

This Schedule is generally applicable to consumers with Maximum Capacity requirements of less than 20 kilowatts, although larger consumers may, from time to time, be served under its provisions. However, when a consumer's Maximum Capacity exceeds 50 kilowatts or the total energy utilization exceeds 20,000 kilowatt-hours in any month, the consumer shall be transferred to Schedule G-2-A General Service—Medium—Secondary, such transfer to continue in effect for a minimum period of twelve (12) months.

SUPPLEMENTARY PROVISIONS

For modifications of the above Schedule applicable under special conditions relating to Breakdown Service, see Supplement No. 14.

TERM OF CONTRACT

The term of the contract for service under this Schedule shall be as provided in the individual contract with each consumer, but in no case shall the contract term be less than one year.

SECTION 2: In the event the term of any contract for service hereafter made as hereinbefore provided shall extend beyond the termination date of this Ordinance, the rates, including the Minimum Monthly Charge, chargeable thereunder shall be the rates in effect within the municipality at the time such charge is made.

SECTION 3: Nothing contained within this Ordinance shall prevent any consumer from taking advantage, within the effective period of this Ordinance, of any applicable rule, regulation, supplement or optional rate which the Company may make available in its P. U. C. O. No. 1 on file with The Public Utilities Commission of Ohio for the class of service involved. All service rendered under and pursuant to this Ordinance shall be subject to the Rules and Regulations contained in such P. U. C. O. No. 1 (as the same may from time to time be amended or supplemented) as are not in conflict with the express provisions of this Ordinance.

SECTION 4: That the rates contained in Section 1 of this Ordinance shall be and remain in force as to bills for electric service based on meter readings made during the period commencing thirty (30) days after the effective date hereof and ending on July 25, 1966, subject to termination as hereinafter provided.

SECTION 5: That the municipality by legislative action, or the Company, shall have the right to terminate this Ordinance at any time after July 25, 1963, upon written notice filed with the other party hereto at least sixty (60) days prior to the termination date.
